

## Major Problems

Youth Assembly for Human Rights (YAHR) has completed the research on Children Rights Situation in Pakistan, on December, 2016 by the (25000) thousand youth volunteers and other partner organizations in country.

The children of Pakistan are facing following major problems.

1. Poverty
2. Child Labour
3. Terrorism
4. Child Marriages
5. Clean Water

### 1. Poverty

It is important to understand the effects of poverty on people since as many as 1.9 billion people live in absolute poverty. Poverty is characterised by lack of basic human needs, which range from drinking water and shelter to basic healthcare and education.
